PROFESSIONAL SUMMARY

Healthcare insurance and quality professional with 7+ years supporting members, providers, and plan sponsors. Skilled in medical and dental benefits, eligibility verification, claims support, prior authorization, and quality auditing. HIPAA-trained, detail-focused, and experienced handling confidential information. Seeking a remote medical and dental administrative support role.

EXPERIENCE

Manulife - Insurance

Quality Analyst | Feb 2023 - Nov 2026

- Audit up to 18 customer interactions per day across phone, email, and chat, checking accuracy, compliance, and documentation against healthcare insurance procedures.
- Met 100% of productivity and accuracy targets while maintaining consistent, fair evaluations.
- Analyze audit results and error trends, then prepare performance reports that help operations leaders find process gaps and compliance risks.
- Provide feedback and coaching recommendations that help representatives improve service quality and reduce errors.

Manulife - Bank

Customer Service Representative | Jul 2021 - Jan 2023

- Handled about 30 calls per day: 50% routine requests (fund transfers, bill payments, cards), 20% account changes, and 30% mortgage and investment inquiries.
- Followed strict identity verification and compliance procedures for sensitive financial requests, protecting clients from errors and fraud.
- Consistently met the 92% overall QA score target on a scorecard weighted 35% accuracy, 35% compliance, and 30% customer experience.

Manulife - Insurance

Customer Service Representative | Jan 2019- Jul 2021

- Handled about 40 calls per day from members and providers, split evenly between coverage inquiries and claims.
- Verified eligibility and coverage, reviewed claims against billing and procedure codes, and explained claim outcomes, EOBs, and VOB details, including medical and dental coverage.
- Coordinated medication prior authorization requests with providers and patient assistance programs, keeping documentation complete.
- Consistently met the 92% overall QA score target on a scorecard weighted 35% accuracy, 35% compliance, and 30% customer experience, while protecting confidential member and health information.

Ibex Global Solutions

Billing and Sales Representative | Feb 2016 - March 2018

- Handled about 50 calls per day, roughly 70% billing inquiries and 30% sales.
- Clarified charges, processed payments accurately, and applied adjustments and credits within policy to resolve disputes fairly.
- Recommended suitable products and plans based on customer usage, contributing to sales results and better-fit plans.
